Rensselaer

Executive Board, Rensselaer Union

February 23, 2017

TO: Dr. Frank Ross, Vice President, Student Life
FROM: Rensselaer Union Executive Board
RE: A Fond Farewell...

Dear Dr. Ross,

On behalf of the Rensselaer Union's Executive Board, we are saddened to learn of your resignation, and we would like to express our profound gratitude for your efforts to improve the student life experience at Rensselaer. Throughout the last two years, you have been a steadfast advocate for open communication and student feedback. When the Institute began restructuring the Division of Student Life, we were confident we would have a voice in the process. Though some policies were unpopular at the time, they galvanized a typically apathetic student body into effecting change. During your tenure, you maintained a commitment to student involvement, and, as a result, many of our peers have been moved to show greater interest in student government and student life initiatives. We appreciate the efforts you made to include our input throughout all areas of student life, especially during the hiring process for new Student Life staff members.

We would like to acknowledge just a few of the areas in which you have sparked significant change. From the moment you started here at RPI, you worked closely with students to help them realize their goals. We were inspired by your commitment to improve mental health focus and redistribution of resources for those affected. We want to reiterate how important this issue was, and we appreciate that you took the steps to include key students and their opinions in your solution. You looked at issues that are hard to discuss and opened up discussion when others would have ignored the problem. We would also like to thank you for identifying and addressing the discrepancies in campus sexual misconduct data and for working with students to resolve the issue. Lastly, and close to our hearts, was your commitment to helping us start to find a new Director of the Union. We want to thank you for prioritizing the fulfilment of this position in order to help us have a more stable Rensselaer Union.

Though your tenure here was short, there are many positive changes that we attribute to your time at Rensselaer. We appreciate your efforts to re-establish effective communication, and we thank you for your dedication to developing a collaborative relationship.

Best regards,
The 2016-2017 Rensselaer Union Executive Board

ACHA Ice Hockey
Nationals Funding Proposal

For the first time in the history of the ACHA Ice Hockey team, they have qualified for the National Championship tournament to be held in Columbus Ohio March 15-19, 2017.

During the regular season each team member pays \$1,125 to be a member of the team through dues. These dues include the cost of covering the coaching expenses and their trip fees. That was decided by the E-Board when the club became active back in 2009. Costs not associated with the team include skates, under garments, team apparel and other protective gear. The student athletes also cover all costs for food during the season which is 28 regular season games and this year to date 4 post-season games not including the National Championship tournament they're going to.

The costs associated with this trip are as follows:

Bus transportation to Columbus, Ohio – Yankee Trails - \$6,840

Hotels while in Columbus – 15 rooms per day x \$114.50 night x at least 4 nights = \$6,870

Total cost of transportation and housing = \$13,710

Taking the \$4,000 off for travel contingencies that would leave - \$9,710 to be divided by the 25 players on the team meaning each player would need to come up with \$441.50 each to help subsidize the trip. That's also not counting the cost of food for the team members during their 6 day trip.

We are asking that the E-Board consider subsidizing an additional \$241.50/per player for this trip to help defray the costs for the students who will be representing RPI and the Rensselaer Student Union at the ACHA National Championship March 15-19, 2017.
