Chabad on Campus Recommendation

Club Contact: Caleb Gladstone, (401)525-8033, gladsc@rpi.edu

Policies Committee Representative: Matthew Rand, (203)903-6909, randm@rpi.edu

Club Purpose: Chabad on Campus is a club that promotes Jewish identity by having holiday, cultural and community programs. It will actively reach out to students and help excite a passion for Judaism. Such programming will help to add meaning to the lives of those involved.

Membership: Noah Emeriek: Freshman, Jerry Dew: Freshman, Jake Minor: Freshman, Adam Isreal Primak: Freshman, Nathan Shreiber: Freshman, Sam Greenwald: Sophomore, Jacob Speicher: Sophomore, Justin Etzine: Junior, Caleb Gladstone: Junior, Zoe Steinsnyder: Junior, Skyler Taagny-Centor: Junior, Harry Waskow: Junior, Rachel Blaeker: Junior, Josh Jacobson: Senior, Ian Gross: Senior
The club intends to always put a large focus on outreach. This not only fulfills the mission of the club, but also guarantees that we bring in new members. Further, the more people that we bring in, the more we will see the effects of word of mouth which will also contribute to our growth.

Club Operations:

We want to hold programming with numerous fraternities

We want to constantly reach out to students by tabling and informing them of the holidays of the season so that they can do the observance of the holiday

We want to hold events that are open to all students that promotes Jewish awareness

We have held numerous Hanukah parties at multiple fraternities. We have tabled on campus both in the union and across from the DCC for various holidays including Hanukah and Rosh Hashana. We did hands on observances with students for the holiday of Sukkot. We held an open Sabbath dinner to students at the Chabad on Campus house on 15th street; there were about 20 people there including a prospective Jewish student and his family.

Risk Management: There are no known potential risks associated with Chabad on Campus.

Future Budget: The Chabad on Campus will not be seeking a budget ever, as a religious organization.

Summary: Chabad on Campus is an outreach club that aims to engage students that shy away from clubs. There are many Jewish students on campus that feel alienated from practicing Judaism and we try to remedy that by bringing Jewish observance to their ground. This done mainly by actively reaching out to people as individuals.

Recommendation: It is the recommendation of the Policies Committee that the Executive Board approve Chabad on Campus as a Union Affiliated Club.
